

Nissan Versa 1.8 S Hatchback shown in Magnetic Gray.

PRINTED EXCLUSIVELY FOR

JOHN SMITH

2010 NISSAN VERSA®

COMES IN 2 FUN FLAVORS. Sedan or Hatchback, both generously offer the largest passenger volume in their class, including the most rear leg room.¹ Plus a powerful engine, while getting up to 34 highway mpg.² Enjoy effortless power from a groundbreaking intelligent CVT transmission. And the security of six standard air bags.³ There's the convenience of class-exclusive Nissan Intelligent Key® and Bluetooth® Hands-free Phone System¹ and even a new optional navigation system. All wrapped up in a stylish, smart choice of four doors or five.

¹WardsAuto.com's Lower Small Car segment, January 2009. 2010 Versa 1.8 vs. 2009 competitors. ²Based on EPA highway fuel consumption estimate for 2010 Versa Hatchback 1.8-L with Xtronic CVT®. 28 mpg city/34 mpg highway. Actual mileage may vary with driving conditions – use for comparison only. ³Air bags are only a supplemental restraint system; always wear your seat belt. Even with the occupant-classification sensor, rear-facing child restraints should not be placed in the front-passenger's seat. Also, all children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Air bags will only inflate in certain accidents; see your Owner's Manual for more details. The Bluetooth word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by Nissan is under license.

¹ Driving is serious business and requires your full attention. Do not operate any devices connected to the USB or auxiliary audio input jack while driving. ² Required XM Radio monthly subscription sold separately. Subscription governed by XM Customer Agreement at xmradio.com/service terms. For more information, see www.xmradio.com. ³ Air bags are only a supplemental restraint system; always wear your seat belt. Even with the occupant-classification sensor, rear-facing child restraints should not be placed in the front-passenger's seat. Also, all children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Air bags will only inflate in certain accidents. See your Owner's Manual for more details. ⁴ VDC, which should remain on when driving except when freeing the vehicle from mud or snow, cannot prevent accidents due to abrupt steering, carelessness, or dangerous driving techniques. Always drive safely. [®] The Bluetooth word mark and logos are owned by the Bluetooth SIG, Inc., and any use of such marks by Nissan is under license.

< With just the push of a button, the available Bluetooth® Hands-free Phone System connects you to the outside world via your cell phone, even if it's way in the back of the car.¹

Versa – with the largest² passenger volume in its class³ – gives everybody the leg room they need to kick back and relax.

It's time to be recognized. > The available Nissan Intelligent Key® option allows your car to recognize you and lets you start the ignition without you ever taking the key from your pocket.

< Xtronic CVT® (Continuously Variable Transmission) keeps your engine performing at optimal rpm – whether it be for efficient cruising or instant acceleration – all the while delivering a seamless flow of power and a smooth ride.

¹Availability of specific features is dependent upon the phone's Bluetooth® support. Please refer to your phone Owner's Manual for details. Cell phone note included.
