

IT'S SO GOOD THEY MIGHT WANT IT BACK.

By now, you're probably saying to yourself, "Wow, this MINI has gone through some serious tests. It's practically overqualified." And, well, you're right. It's in excellent condition. In fact, it's in such great shape the previous owner may want it back. That's why we've prepared this handy-dandy guide for thwarting any previous owner's attempts at getting their MINI back.

MOTORIST DISGUISE

If they don't know who you are they can't follow you back to your MINI.

FAUX GOLF CART COVER

A cinch to store. And even easier to apply. For quick protection, simply unfurl and toss over the top of your MINI. If you're a golfer, all the better.

BANANA-PEEL BOOBY TRAP

Peel and sprinkle around the periphery of your MINI. This inexpensive means of protection is biodegradable and less noisy than those darn car alarms.

HOW TO SHAKE A TAILER

Previous owner on your tail? Step on it. Remember, you're the one in the MINI.

CUSTOM CAMO PAINT JOB*

Best saved for extreme cases. This tactic is perfect for those motorists who want to blend in completely with their surroundings. Plus, it just looks cool.

*Custom paint job not included.

THERE'S NOTHING LIKE IT. JUST ASK THE PREVIOUS OWNER.

MININEXT.™ CERTIFIED PRE-OWNED MINI

Any MINI motorist, or ex-motorist, will tell you there's nothing quite like a MINI. No other vehicle offers the same go-kart-style handling, space-saving design, spunky attitude and superior safety features. And since MINI always has, and always will, stand for motoring, a Certified Pre-Owned MINI is guaranteed to motor like new, no matter what. Whether previously owned or fresh off the lot, no car can motor like a MINI.

THE MINI NEXT™ PROTECTION PLAN.

The confidence you have in your MINI should increase with every turn you take. In fact, the tighter the turn the better. And while every MINI NEXT car is as attractive and stylish as a new one, they can't rely on looks alone. That's because each MINI must meet the sky-high standards of our MINI NEXT Program. Only a worthy few are selected for certification. So consider yourself lucky.

Each MINI NEXT car must be less than five years old, have less than 60,000 miles, and pass a rigorous inspection process. Add to that the limited warranty, which covers up to two years or 50,000 miles, and you're good to motor like new. So feel free to express your exuberance with a loud joyous shout, and know that if you ever need help, like any great do-gooder, we'll be there for you.

MININEXT.™ CERTIFIED PRE-OWNED MINI

WE’VE BEEN INSPECTED.

Each MINI NEXT car has been inspected bonnet-to-boot by a MINI trained technician. We like to think of it as a massage. It’s a process—carried out by some of the most dedicated technicians in the business—meant to refresh your MINI and ensure that the first feelings you experience out on the open road are ones of pure and utter goodness.

WE’RE UNDER WARRANTY.

The 2-year/50,000-mile MINI NEXT Certified Pre-Owned Limited Warranty protects you against defects in materials or workmanship. All covered repairs are made by MINI trained technicians, using only original MINI parts, so go ahead and motor like you mean it. Oh, and don’t worry about third-party adjusters coming between you and motoring. Your MINI Dealer can determine if your repair is covered on the spot.

Although the MINI NEXT Certified Pre-Owned Limited Warranty is pretty comprehensive, it’s not an extension of the MINI New Passenger Car Limited Warranty. The MINI NEXT Certified Pre-Owned Limited Warranty takes over when the original MINI New Passenger Car Limited Warranty expires and provides somewhat different coverage.*

WE’LL COME TO THE RESCUE.

The road can be adventurous. That’s why every MINI NEXT car comes with Roadside Assistance for two years or 50,000 miles (whichever comes first).† Available any time of day, on any day of the year, this MINI NEXT Roadside Assistance Plan covers you no matter where you are in the U.S. All it takes is a single toll-free call.

*See your local MINI Dealer for complete details about MINI NEXT Certified Pre-Owned Limited Warranty coverage.

†Starting at the expiration of the MINI New Passenger Car Limited Warranty, which includes its own MINI Roadside Assistance Plan.

WE’VE GOT YOU COVERED.
