

You really made a difference Roger!

Hello Roger, + Everybody, ~~for~~

Thank you for being so nice + helping us get a car at a reasonable price. Thank you for not pressuring us to buy something we didn't want or couldn't afford. We only had a small old truck + the day before my husband was alone + missed a curve + ran off the road + hit a tree. The truck was totaled but Thank God he wasn't hurt or killed. We were desperate to get a car that day + you made it all possible + present. Everybody there was friendly + so nice. I'll tell everybody I meet about you + our good service there.

Thanks again,

Cornelia Hoggman
