RECOMMENDED MAINTENANCE SCHEDULES

Regularly scheduled maintenance services have a positive influence on vehicle performance, safety and dependability. It is the joint responsibility of the manufacturer, Superior Pontiac, Buick, GMC, and the car owner to see that such services are offered and performed. Superior Pontiac, Buick, GMC is dedicated to this concept, and we have developed this menu styled list of MAINTENANCE SCHEDULES. It provides you with a price for work you select so you will know how little it costs to properly maintain your vehicle. We believe you will find our prices competitive and our service commendable. Timely adherence to these recommended services will ensure that vehicle performance and longevity are maximized. Superior Pontiac, Buick, GMC bases all maintenance on Michigan driving conditions.
