

EXCELLENCE

FUEL INJECTION SYSTEM SERVICE

Using specialized equipment, our technicians will quickly and efficiently use Justice Brothers Fuel Injection System Service to clean fuel injectors, intake manifold, ports, intake valves and combustion chamber. This service will restore lost power and performance and will reduce harmful exhaust emissions.

\$119.95

COOLING SYSTEM SERVICE

Our technicians will flush cooling system, pressure test, check hoses, cap and check connection. Then Justice Brothers Cooling System Protectant will be added to prevent rust and corrosion.

\$119.95

POWER STEERING FLUSH

Our technicians will add Justice Brothers Power Steering Conditioner and Treatment to dissolve gum and varnish in your car's power steering unit. Next we will flush old, worn-out, contaminated fluid and install Justice Brothers Power Steering

Service fluid which is fortified with special antioxidant and anti-wear ingredients to prevent expensive mechanical failure.

\$99.95

AIR CONDITIONING SERVICE

Our technicians will visually inspect all fittings and hoses. To disinfect and deodorize the A/C system, Justice Brothers AC-Clean will be added to effectively remove foul odors, mold, spores, fungi, road grime, nicotine oils and debris that accumulate in your car's air conditioning. Then we will add Justice Brothers FRIDG-e LUBE which recharges your air conditioner and has the added benefit of anti-wear technology.

\$99.95

TRANSMISSION FLUSH SERVICE

Using the latest in state-of-the-art technology, we will install Justice Brothers Transmission Cleaner and Protectant which is a safe and effective cleaner formulated to suspend harmful varnish and sludge from the transmission valve body, torque converter, and lines. Installation of new high-tech fluid with Justice Brothers Automatic Transmission Conditioner completes the process.
